To facilitate such computation, bidder shall furnish in its bid the estimated dimensions and shipping weight and the approximate EXW/CIF/CIP value of each package. - 3) The goods covered under this invitation are required to be delivered (shipped) in partial shipments, as specified in the Schedule of Requirements. Bids offering deliveries earlier or later than the specified deliveries will be adjusted in the evaluation by decreasing from or adding to the bid price a factor equal to a percentage, specified in the Bid Data Sheet, of EXW/CIF/CIP price per week of variation from the specified delivery schedule.

26.4.3 Deviation in payment schedule.

- 1) Bidders shall state their bid price for the payment schedule outlined in the Terms and Conditions of Contract. Bids will be evaluated on the basis of this base price. Evaluated Value = Sum of effective Independent Evaluated Value of members from the Bid Evaluation Committee / Number of effective members.

Relevant stipulation on Independent Evaluated Value please refers to the Bid Data Sheet.

The most superior Evaluation Factor Responsive Value is the highest Evaluated Value, and such highest Evaluated Value is called Benchmark Evaluated Value. The other Evaluation Factor Responsive Value will get corresponding Evaluated Value compared with Benchmark. Accurate number of digits after decimal point please refers to the Bid Data Sheet.

27.2.4 Weight of Evaluation Factor refers to comparative importance level of some certain Evaluation Factor. The sum of weights for all first-stage Evaluation Factor is 1. The sum of weights for second-stage Evaluation Factor under the same first-stage Evaluation Factor is 1, and so forth.

27.2.5 The Evaluated Value after Weight = Evaluated Value * Weight.

CIF price + import-related duties and taxes + consumption tax (if applicable) + cost for transportation and insurance within PRC customs territory + other cost (also applicable to CIP and DDP terms).
 - b) For goods within PRC customs territory
EXW price (including VAT) + consumption tax (if applicable) + transportation and insurance cost + other costs.
 - c) For goods already imported
sale price (including import-related duties and taxes, sale-related VAT) + transportation and insurance cost + other costs.
